The Design Team

Terra

An award-winning, South Florida-based real estate development company founded by David Martin, focused on projects that have a positive impact on their natural surroundings, location and the people who live there. The firm has cultivated a portfolio of more than five million square feet of residential and commercial real estate valued at over \$8 billion and is active across all major real estate asset classes including multifamily apartments, luxury condominiums, single-family residences, retail, office space, hotels and industrial properties. Terra has achieved international acclaim for its commitment to design excellence, resiliency measures and sustainable development and has been continuously transforming South Florida into the prosperous metropolis we know today.

ARCHITECT

Arquitectonica

Founded in 1977, Arquitectonica introduced a bold modernism that almost instantly sparked a renaissance in Miami's urban landscape. The firm has since designed many of Miami's most recognizable buildings and holds a major presence on the world architectural stage. Arquitectonica's own brand of humanistic modern design can be seen in the firm's world-renowned projects including Microsoft Europe Headquarters in Paris, Westin Times Square in New York, Banco Santander Headquarters in Sao Paulo and the U.S. Embassy in Lima, among others.

INTERIORS

Meyer Davis

A multi-disciplinary design studio founded by Will Meyer and Gray Davis. The award-winning firm has established itself at the forefront of high-end commercial and residential design practices throughout the U.S. and abroad, through its work on private residences, hotels, restaurants, retail experiences and workplace environments. The firm designs seamless physical experiences tailored to their clients' individuality, combining principles of great design with a clear vision for the experience they seek to create. Meyer Davis believes that great design works on multiple levels, weaving together bold design moves and striking details to ensure that when completed, each project makes an immediate and lasting impact.
